

OYC Monthly Recap

October 2022

What We've Been Doing

Greater Manchester Green Summit

On Monday the 17th of October, some Youth Councillors and some students of Waterhead Academy attended the **Greater Manchester Green Summit** at the Manchester Metropolitan University. Over there, they showcased:

- The Manchester **fuel cell innovation** centre, showing hydrogen fuel and renewable energy sources.
- Information, on our **impact** on the **climate** as humans, and how to make a change.
- Cost-efficient and environmentally friendly **3D printing**.
- What Greater Manchester boroughs are doing about **our impact** on the climate.

Constitution Amendment

On Wednesday the 19th, we reviewed and amended our constitution. We changed membership rules, meaning that your school may be represented more accurately in the next election.

The full changes will be online at oldhamyc.com in the coming weeks, with the new constitution.

Get Involved

You can run for elections at Oldham Youth Council this time next year! (Elections will run in December 2023).

YouthForia

On Sunday the 29th, some Youth Councillors went to YouthForia in Huyton (Knowsley, Merseyside). YouthForia is a conference with a specific topic, and allows young people to make new friends, network, and learn something new.

This conference was on **Black History Month**, including the positive history, the less known people who were activists, scholars and more, alongside how much of it is mentioned in our national curriculum.

In early November, **your** views on health and wellbeing will be debated in the House of Commons!

Please fill out this survey by **Thursday the 3rd of November 2022 at 10am** to make sure that your views are heard and even debated upon!

Improve This

These monthly slideshows are a **brand new** concept.

Please don't hesitate to talk to a Youth Councillor at your school, if you want **more information** on these slideshows, any **additional resources**, or want to **get involved**.

Thank You.
